HISTORY OF GALLERY BY NOOK

Nook Gallery — a curated space to showcase the vision of like-minded European and local brands and designers.

OUR VALUES AND VIEWS

Perfection in every detail

With locally sourced materials, precise execution, and a dedicated team of designers, architects, and project managers, we guide every project from first sketch to final installation.

Aesthetics made to order

Minimalist in appearance yet rich in character, our pieces are always custom-made, crafted to match your exact needs and taste.

Individual approach in every detail

We combine high European quality with a fully personalised approach — offering one-to-one service from start to finish.

Nook is a Dubai-based brand specializing in custom-built furniture. Now we are opening a new chapter.

ABOUT NOOK

We bring together timeless design, immersive spatial presentation, and thoughtful storytelling.

Origami is not afraid to be the centre of attention - the unique 360-degree design and low height make it ideal to be placed in the middle of the room. Unique concave shapes both in the back and the low front of the seat are combined with soft round shapes of the seat and arm rests. Origami is not a regular sofa or an armchair, it is a statuesque centre piece. Multiple module options make it easy to build variable combinations for different spaces. Whether you need a small two-seater sofa, a massive corner sofa, a chaise longue or an armchair, Origami can be folded into several shapes and sizes.

Sculptural and striking all the way round, and featuring skilfully crafted covers, the sofas can be positioned anywhere in the room like pieces of soft art. Shorter or full, enclosing backrests give them either an open or a more protective, enveloping feel. The rest elements are removable, for example for transport. The covers of the seat base and rest elements can be individually removed and replaced. The sofas are available in the standard or in an extra wide or extra deep size, or in an extra wide as well as extra deep size. Matching stools, long chairs, open ends or armchairs make it possible to extend the sofa at any time to create more space.

sartoris
By maxdivani

PARTNER

Sartoris

With roots in the heart of Brianza's design district, Sartoris emerges as an evolution of Max Divani — a heritage Italian brand with over sixty years of experience in upholstered furniture. While Max Divani is known for its refined craftsmanship and international reach, Sartoris was created to explore new expressions of design with the same artisanal foundation, focusing on the European and hospitality markets. Together, they represent a family legacy spanning three generations, where design is not just a product but a language. Their philosophy merges innovation and tradition — combining state-of-the-art manufacturing with a deep respect for manual techniques.

FABRIC SEAT AND BACK TECIDO.02271 MARMORE PEARL - CAT. F01 (W) FABRIC

Seat board seat (CDF15) PLYWOOD 15MM + WEBBING

GLIDERS DES04 WHITE NYLON GLIDER

A simple yet distinctive four legged chair. The leg positioning, its circular seat and the gently curved backrest characterises its architectural and graphic look and feel. Because of its aesthetic reduction in combination with the geometrical round shapes, it becomes almost iconic and sculptural. The twist chair is available in solid wood with optional upholstered seat and/or backrest. A dining chair with a twist.
